

Practice Tweets! Have fun, compose, & let your imagination go!

The image displays five identical Twitter 'Compose new Tweet' windows arranged in a grid. Each window features a large text input area at the top, a close button (X) in the top right corner, and a bottom bar containing a camera icon, a location pin icon, the Twitter logo, the character count '140', and a 'Tweet' button. The windows are arranged with two small windows at the top, a large central window in the middle, and two small windows at the bottom.
